

“Ask Aslan”

Activity Sheet

Discussion Questions

1. Who do you think would really be Aslan's favorite Pevensie kid? Why?
2. If you had to describe each Pevensie in one word, what would it be? (And “naughty-pants” has been taken, sorry!)

Activity

This video is a parody of Behind the Scenes interviews that we see from movie sets. The idea of Aslan as an actor, and the typical backstage interview, are exaggerated for comedic effect.

So let's think of some more parodies for The Lion, the Witch, and the Wardrobe!

Write another parody scene on your own from something in the story. For example, maybe the White Witch makes a TV commercial for her special Turkish Delight! Maybe the Wardrobe malfunctions and Lucy comes out in modern times! Maybe the Pevensie kids form a band! The possibilities are endless!
