CONCLUSION: A Tool to Carry Out the Trade

Every platypus on the squad carries a badge, but it's a boomerang that helps a good detective fight crime in Kalamazoo City. Color and personalize the boomerang below; then cut it out along the dotted line and use tape or glue to affix it to a piece of cardboard or heavy paper. Cut away the excess cardboard or paper, and your boomerang is ready to fly! Practice throwing your official Platypus Police Squad tool of the trade (be sure to go outdoors or into an empty room!) so you'll be ready when trouble strikes.

Safety Note: Young rookies should always ask a grown platypus for help when using scissors.
